**Practical Data sheet for I, II and III year**

It is informed that the publication of results will be delayed for the Institutions who have not submitted the Practical marks, Internal marks and the absentees list in time .

Theory absentees list will be uploaded in the DOTE Website. If there is any discrepancy found, the Institutions can report the same to the computer centre with relevant proof. Some of the Institutions have not given internal marks for few students. In such cases the Institutions are solely responsible for such lapses and consequences. Once the result is published any correction in the Internal Marks will not be entertained.

The above Institutions should get prior permission from the Additional Director (Examinations) before submitting the data to the computer centre as the last date (30/11/12011) for submission of exam related documents was already over.
